

FAKE MONEY.  
REAL FUN.

# VIRTUAL TEAM BUILDING

## ADD EXCITEMENT WITH POKER

Leverage the power of play to foster genuine interactions within remote teams. Guided by our engaging dealers, poker provides friendly competition and a truly level playing field.

### PERFECT FOR 6-200

Gather your group or open it up to the whole company worldwide. Anyone can play.

### BUSINESS FOCUSED

Poker skills are business skills. No one knows operating under pressure like a poker player.

### INCLUSIVE AND ACCESSIBLE

Poker is a truly level playing field where anyone can get lucky and become a poker champion.

### COMPLETELY CRAFTED

With 18 years of experience, we know what you need for a fantastic poker party.

**Poker is played for entertainment only. Not real gambling.**  
**Hosted on our private poker website.**

# YOUR VIRTUAL GAME INCLUDES:

- A dedicated Event Manager for turn-key planning services.
- Private hosting on our poker site with live dealers leading the way.
- In-person execution of the Final Table event in SoCal or Las Vegas.

## REAL DEALERS LEAD THE WAY

Our specially trained dealers are “Poker Ambassadors” who will guide your team from the lessons table to the Final Table. They know how to keep the energy up and everyone engaged.

## INTENTIONAL AND EFFECTIVE

Tournaments are a fantastic way to get to know people without any awkward, forced collaboration. Random seating creates friendly competition and the luck of the draw makes it a memorable experience.

## EASY TO USE WEBSITE

We own the site, so the game starts when you are ready to play. Pop-up cheat sheets and hand helpers make the game easy, even for rookies. We put your company logo on the virtual felt and make sure everything fits your timeline, for a truly customized experience.

Speak to our team to schedule a demo game or learn more about how to leverage poker as a part of you company’s next charitable awareness campaign.
